

Jeeviora

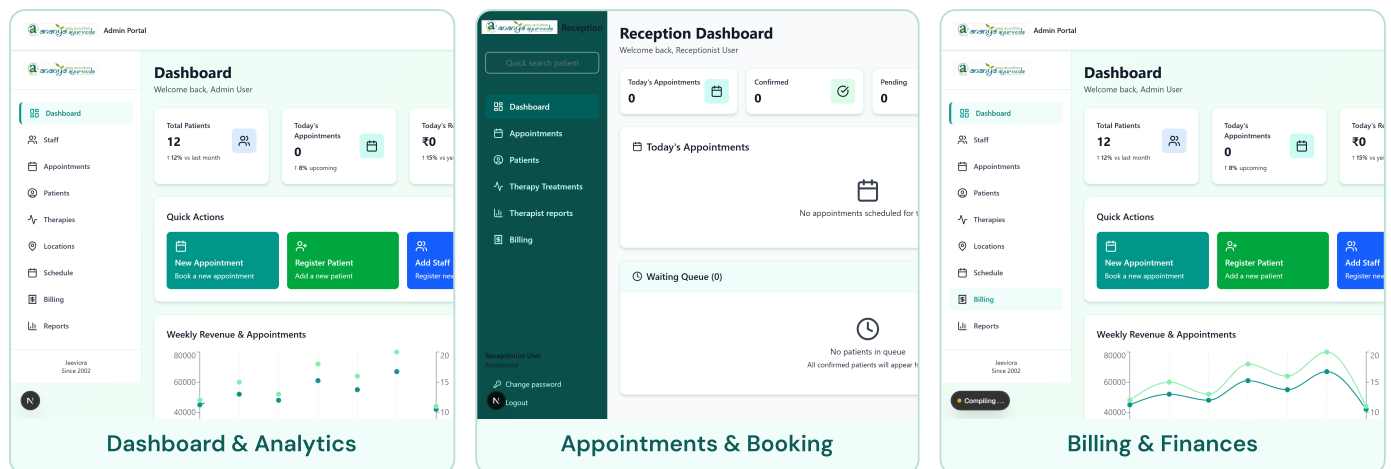

Smart ERP for Ayurveda Clinics

Digitally Empowering Holistic Healthcare

Complete Ayurveda Clinic Management Software

Jeeviora is an all-in-one Ayurveda Clinic Management ERP designed to simplify daily operations, improve patient care, and help Ayurveda centres grow efficiently.

Whether you run a single clinic, Panchakarma centre, or multi-branch Ayurveda hospital, Jeeviora helps you manage everything from patient records to billing — all in one platform.

Reference deployment: Ananya Ayurveda, Bengaluru — 4 centres, since 2002.
